PLAN SIZE

Width: 110 feet
Depth 120 Feet
Living Area 9,284

Spring is here, and a variety of outdoor spaces provide an opportunity for unwinding, entertaining, and connection to nature, as well as provide a opportunity to maximize natural light into the home.

This plan includes a sequence of indoor and outdoor spaces for formal and informal living. The Forecourt defines a semi-private space prior to entering the home. The Entry provides a view into the formal Courtyard, the Great Room then provides connectivity to the uncovered formal Courtyard, sheltered from breezes and the Great Room also connects to the covered Loggia with an outdoor kitchen which lives out to the pool deck area and beyond.

- A** Forecourt
